

Dear club secretary,

My name is Alan Aslett and I am the Vice Chairman of Worthing Trials Club. I hope you do not mind me contacting you in this way.

On the 15/16th December my out building was broken into and mine and my sons competition trials bikes were taken. I am passing these details to you and would very much appreciate if you would kindly alert your members or anyone you feel may be able to help or at risk of being offered these bikes. My number is 07973 71 31 91. These bikes were stolen from Dormansland, Surrey RH7.

My sons bike was 1 of only 2 in the country -

Gas Gas 125 Pro racing (photo attached) Chassie No - T1203/M031/6181

Mine was a Montesa Repsol 4RT 2006 Limited edition. Chassie No - VTDMOT4A05E001849

I fear that we may never see these bikes again but am sending this out just in case. Thank you for your support in this matter.

Alan and Alex Aslett
