And then the rains came! It wasn't meant to be as hard as that - honest! We could have coped with the occasional showers as forecast, but the continuous heavy rain defeated the best efforts of the Clerk of the Course and his assistant. Thank you for persevering and a very big thank you to the observers for their efforts, without which there would be no trial.

Protests, if any, in writing, within 14 days from 7th July 2008.
